Germans losing heavily. Further attacks were launched at 10 p. m. on the edge of Caillette woods. These were vention assembled adopts the following now remove, so far as possible, every checked by French curtain fire. The declaration to the end that the people remaining element of unrest and checked by French curtain fire. The declaration to the end that the people remaining element of unrest and uncerdeclaration to the end that the people remaining element of unrest and uncerdeclaration to the end that the people remaining element of unrest and uncerdeclaration to the end that the people remaining element of unrest and uncerdeclaration to the end that the people remaining element of the business of the United States may both realize tainty from the path of the business to New Jersey, and Judge John W.

In the official statement of last years of democratic administration and a continued period of quiet, assured and president Wilson.

French Are Repulsed.

Berlin, vis London, June 16.—The Erich forces on the southern edge of Dead Man's hill were driven back by German forces, the official war office statement said today.

German troops took 246 prisoners and several Maxim guns.

In the recion of This work of the administration and the southern edge of the constructive legislation with those of any party of any time.

Tariff.

Applause was given to Judge Wesentt thing on which it was thought the party was in complete action of a tariff for the people of providing sufficient revenue for the operation of the government economically administration of the party was in complete action of the administration attentive and quiet. It voiced approval attentive and quiet is remarks on the administration attentive and quiet. It voiced approval attentive and quiet is remarks on the administration. Among the policy toward Mexico. The crowd was assumed all the resolutions committee would have to do was to fill it was assumed all the resolutions of a triple of a tariff for the people of processing the policy toward Mexico. The crowd was assumed all the resolutions of a tariff.

We reaffirm our belief in the doctine of a tariff for the people of processing the policy toward Mexico. The crowd was assumed all the resolutions committee with a triple of a tariff for the people of processing the policy toward Mexico. The crowd was assumed all the resolutions committee with a triple of a tariff.

We reaffirm our belief in the doctine of a tariff for the people of processing the policy toward Mexico. The crowd was a German troops took 246 prisoners and constructive legislation with those of change to meet changing conditions in any party of any time.

But the carpenters had different the worlds productions and trade. The mention of the name "Woodrow Williams as to the sort of planking to be the worlds productions and trade. The mention of the name "Woodrow Williams as to the sort of planking to be any party of any time.

by commercial interests for their selfish foreign trade. Two years of a war bearing the prest dent's likeness was unfurfied from the which has directly involved most of the Mack has signed Harold Crisp, 17 year peated pledges, was impotent to correct chief industrial nationary of the world and abuses which it had fostered. Under high school, to play with the Athlet with has never faltered, these abuses about economic changes more varied have been corrected and our people and far reaching than the world has representatives helped earry banners.

Committee Report.

After a period of waiting during while a lauge banner bearing the prest dent's likeness, was unfurfied from the world for the hall. The delegates began and resonance of the hall. The delegates began and parallel bearing state stanchions.

Women delegates were among the mit a report of the committee on resonance banges more varied have been corrected and our people and far reaching than the world has representatives helped earry banners.

MID RIOT OF NOISE

NO BALLOTS TAKEN BUT **VOTE WAS ONE GREAT AYE** 

comed Mention of Presi-

dent Wilson's Name

**NOMINATIONS ARE** 

It Was All Over Four Minutes to Midnight

Coliseum, St. Louis, June 16.—The convention in last night's session, plainly showed it was weary of further delay—anxious to finish up and go home. That feeling was even more pronounced when the delegates awake with sore throats or aching arms and legs from the over use they gave such organs and parts in last night's outburst of cheering and noise accorded.

By Perry Arnold.

(United Press staff correspondent.)

St. Louis, Mo., June 16.—The complete harmony program for the demonstrate in the tangled story of Marion Lambert's death today along with the cratic national convention was "bust-ed wide open" today. Harmony reaching from the over use they gave such organs and parts in last night's outburst of cheering and noise accorded to Marsball were re-nominated by acclamation.

At 7 o'clock, when the resolutions

Courtroom, Waukegan III., June 16.—The "three spota" took their place in the tangled story of Marion Lambert's death today along with the "alihi letters" and the "tryst of death, "as the crucial points in the case on which hinges the rate of Will Orpet, charged with Marion's marks on the control of the control of the control of the case on which hinges the rate of Will Orpet, charged with Marion's marks on the control of the control of the case on which hinges the rate of will orpet, charged with Marion's marks on the control of the control of the control of the case of the case on which hinges the rate of will orpet, charged with Marion's marks on the control of the control of the control of the control of the case of th burst of cheering and noise accorded President Wilson and his running marke. Democracy's convention his committee was putting the florishing tory, with the climax four years ago at Baltimore, has recorded many a stirring night session, but seldom any more picturesque than hast aight's would be carried to the floor of the meeting. A tremendous crowd took every inch of space in the great and:

This was in relation to waman and.

We have protected the Kern, of Indiana, escorted Mr. Bryan by broke down, but there were some laborer against the uncapable of writs of injunctional and galleries roused their approval. Inght has either Senator Hollis of New and galleries roused their approval. and galleries roared their approval.

Senator Hughes, of New Jersey, act. Hampshire, nor Senator Walsh of Moned in the role of an officer of one of tana, left the room in which committee

tigate to ascertain whether there is any hope of saving the liner.

Wireck Holds Together

Eurska, (al., June 16.—Riding easily in a light sea, the coast liner Bear remained on the rocks of Blunt's Reef todax in no immediate danger of breaking up. Frequent trips were repulsed, the French imprisoning made to the wreck by sailors on a raft, attached to an overhead trolley to the wreck by sailors on a raft, attached to an overhead trolley to the surf which upset two life or the wreak of the first of our machine guns, the Congressional Union.
